“The March
Of The
Madmen”

My Dear Friends

I don't know about you, but to me it seems that the western world is now being run by individuals that have given up all attempts to appear normal and are now openly pushing us all down the road to war. These individuals aren't yet actually foaming at the mouth – but their ever more frequent, and ever more strident calls for military action – accompanied by demonstrations of their military power across Europe and Asia, and their attempts to escalate actual military engagement in the Middle East, make it appear that it will not now be long before we see bloody froth spewing from their hate contorted faces.

My Dear Friends, we cannot simply stand back and let the purveyors of hatred and war go about their bloody business. We have to stand against the onward march of this madness and fight back with everything we can muster.

We have very powerful weapons in our arsenal. Foremost amongst these is our love for each other – we will not let these bastards convince us that we are our own enemies, and that we must march out and destroy one another.

We are sane men and women and we refuse to be to be ruled by madness.

Know that: WE ARE THE ONE HUMAN FAMILIY AND WE WANT PEACE.

And fight back we will – we will reach out to our brothers and sisters across the world – and to our brothers and sisters across the Cosmos.

WE WILL FIGHT BACK WITH UNIVERSAL PEACE.

My Friends,

Please understand, by signing this petition you will also be promoting mutually beneficial contact between Humanity and Extraterrestrial Civilizations.

Now you need also to understand that this is up to us. Our 'leaders' are not going to do this for us. The most powerful voices in the world want war, and our leaders will obey – and are obeying – those voices.

We are the only people that are listening to our own voices. So it is imperative that we stand up and speak as one. And let this be our message:

UNIVERSAL PEACE
